About ICMA-RC

Founded in 1972, ICMA-RC is a non-profit, independent financial services corporation with approximately \$51 billion in assets under management and administration (as of December 31, 2018), focused on providing retirement plans and related services for over a million public sector participant accounts. ICMA-RC's mission is to help public sector employees build retirement security. For more information, visit www.icmarc.org or follow ICMA-RC on Facebook, LinkedIn, and Twitter.

About Maine Public Employees Retirement System

Founded in 1942, MainePERS mission is to serve the public with sound retirement services to Maine governments. For more information, visit www.maineopers.org.

About the Center for State and Local Government Excellence

The Center for State and Local Government Excellence (SLGE) helps local and state governments become knowledgeable and competitive employers so they can attract and retain a talented and committed workforce. SLGE identifies leading practices and conducts research on public retirement plans, health and wellness benefits, workforce demographics and skill set needs, and labor force development. SLGE brings state and local leaders together with respected researchers. Access all SLGE publications and sign up for its newsletter at slge.org and follow [@4GovtExcellence](https://twitter.com/4GovtExcellence) on Twitter.
